

## PARENT'S GUIDE AND REGISTRATION FORM

### WE ARE READY FOR THE 2015 SUMMER CAMP SEASON AT RIVERCREST GOLF CLUB!

The goal of our RC Kids Camps is to provide your child an opportunity to have fun with their fellow members while being exposed to new and fun activities that will spark many different interests. We want to have all of the kids at RC know that this is their Club too. Our camps are a great way to build camaraderie amongst our children by sharing summertime fun at the Club.

Our camps will include a wide variety of fun activities including team building, crafts, nature exploration, games, cooking classes, swimming, sports and a whole lot more. Three experienced camp counselors are assigned for each camp (ratio approximately 1:4). Camp will be held on each day scheduled, rain or shine. Camp activities schedule will adjust accordingly. New for this year, RC is offering a new option for campers; MORE GOLF! Camp options are outlined below. We are excited to have your children participate in our program and look forward to a fun filled summer!

### 2015 SUMMER CAMP SCHEDULE

Falcon Camp	(Ages 10-12)	July 6-10
Eagle Camp	(Ages 8-9)	July 13-17
Hawk Camp	(Ages 6-7)	July 27-31

### RIVERCREST SUMMER DAY CAMP: EXPLORER OPTION

The foundation for the Explorer Camp is to provide a number of activities for kids that have various interests. Each day will be different introducing various sports, hiking, crafts, special guests and games. Daily golf lessons and instruction are not included with this option.

Total Cost	Non-refundable deposit due at registration
\$280	\$150

#### EXAMPLE OF AN EXPLORER CAMP DAY

12:30pm	Afternoon Activities – Games and Craft
2:30pm	Snack & Swimming at the Pool
4:00pm	Pick Up at the Pool

## GOLF ACADEMY OPTION

If your child has an interest in more in-depth instruction for golf, we teamed up with the Golf Academy to give your child more time playing and learning about golf! With this option, children will be able to participate during the early part of the week with RC camp and once the Golf Academy starts on Wednesday, children will join them daily and then finish the day with RC Camp at the Pool.

Total Cost	Non-refundable deposit due at registration
\$380	\$200

## REGISTRATION PROCEDURES

Registration officially opens Wednesday, March 4, 2015. Registration forms can be dropped off on the 2nd Floor of the Golf House to Natalie Hernandez or emailed to [nnh@rivercrestgolfclub.com](mailto:nnh@rivercrestgolfclub.com). Please submit your application as soon as possible to avoid the chance of a Waiting List. The registration deadline is June 21, 2015.

## CAMP BILLING POLICIES AND PROCEDURES

A non-refundable deposit will be billed to your Member Account upon receipt of Registration. All remaining camp fees will be billed to your account 10 days prior to Camp and are non-refundable.

## SNACKS AND LUNCH

Lunch and two snacks are provided daily for all children participating in the camp program. All meals are prepared on site by the RiverCrest culinary staff. For snacks, we will offer a variety of snacks during the week including popcorn, pretzels, fresh fruit and vegetables. Drinking water is always available, and children will be encouraged to drink water throughout the day.

Each day features a different meal for lunch. Camp counselors eat with campers, and campers will be encouraged to try different foods. If your child has an allergy, intolerance, or sensitivity to any foods, or has a specific need in relation to meals, please make a note on your Registration Form. Together we will determine an appropriate course of action so that your child's individual needs are met.

## WHAT TO BRING

Campers spend the majority of their day actively participating in activities, and it is imperative that they are dressed in a manner that allows for participation to the fullest of their ability. Comfortable clothing and rubber soled, closed-toed shoes are a must for

camp. Crocs can be brought for the pool area, but are not suitable to wear all day as we will do some hiking during the week. Some of our art projects can get messy—while we try to use washable craft materials, there is always the possibility that a stain will not come out. Please keep this in mind as your child dresses for camp. All campers should bring the following items to camp each day in a bag that they can carry. We strongly recommend your child brings with him/her swimsuit, towel, sunscreen, hat, water bottle and keeps these items in a small backpack.

PLEASE LABEL EVERYTHING YOU SEND TO CAMP WITH YOUR CHILD. By labeling items, you increase the likelihood of having them returned to you in the event they are misplaced. Finally, please do not send toys, hand held video games, phones, or iPods with your child to camp as they can take away from the camp experience.

## DROP OFF AND PICK UP

### Drop Off Procedures

Campers can be dropped off starting at 8:45am at the Greenside Grille. Camp staff will not be available before that time and campers may not be left unattended.

### Pick Up Procedures

Campers can be picked up from the Pool by 4:00pm. As with drop off, you will be greeted by a camp counselor. If the counselor does not recognize an individual picking up a child, that person will be asked to present identification. We greatly appreciate your cooperation—your child's safety is our first priority.

Campers will only be released to individuals 18 years of age or older AND listed as persons authorized to pick up the child on your Registration Form. If someone who is not listed on the Registration Form will be picking your child up, written permission is required at drop off. Parents/Guardians are responsible for checking in and out with the camp counselor. No camper will be allowed to enter or exit the area without being escorted by an authorized adult. If you need to drop your child off late or pick your child up early, please inform a camp counselor.

## SICK CHILDREN

Children with a temperature over 101°F or recurrent vomiting or diarrhea may not attend Camp. In order for a child to return to Camp, he or she must be symptom free for 24 hours without medication.

The camp counselor reserves the right to exclude a child who is deemed to be exhibiting symptoms that warrant exclusion. In the event a child becomes ill while participating in camp, we will contact a parent to pick up the child. Camp staff will care for your child until you arrive, and keep him or her as comfortable as possible. Parents are to pick up ill children as soon as possible, as we do not have the facilities to care for them. All camp staff has been trained to demonstrate and promote good hygiene habits. Proper hand washing is crucial, and, at a minimum, all campers and camp staff must wash their hands before and after eating, after attending to an injury, and after using the restroom. We thank you in advance for helping us keep our campers and counselors healthy this summer.

## INJURY POLICY

All camp counselors are trained in CPR, First Aid, AED, and Emergency Response. For any injury, minor or otherwise, occurring at camp, Camp policy requires an accident report to be completed by a Counselor and reviewed by the General Manager. Parents will be provided a copy for your records within 24 hours, and a copy will be placed in your child's file.

Camp staff will continuously monitor any injury throughout the day; should a minor injury worsen, you will be contacted by the Club. Minor injuries, including minor cuts, scrapes, stings, and bruises, will be treated by camp personnel. In the event your child becomes seriously ill or injured, we will make every effort to contact you, or one of the emergency contacts listed on your child's Registration Form. If we are unable to get in contact with you or any of your emergency contacts, or if your child needs immediate medical attention, we will call 911.

Injuries requiring immediate medical attention include, but are not limited to broken bones, concussions, or other serious head injuries, deep cuts or lacerations resulting in loss of blood and requiring stitches. If it is determined that further participation in camp activities after any injury will compromise your child's safety and wellbeing, the camp counselor reserves the right to request a note from your child's physician affirming his or her ability to safely continue attendance and participation at camp.

## MEDICATION ADMINISTRATION POLICY

The RiverCrest Camp Program may dispense non-prescription topical ointments (i.e. over the counter sunscreen/sun block products, insect repellent, and combination sunscreen/sun block and insect repellent products). For your convenience, camp does keep sunscreen on property. If you prefer, you may still send sunscreen to camp. Camp staff will not and cannot administer any other topical ointments other than those specified above.

If your child requires any on hand emergency medications, such as EpiPens, Glucagon, Albuterol or diabetic test kits, a completed Medication Administration Form must be on file. If required, all emergency medication products must be labeled with the camper's first and last name. By law, Camp staff cannot keep on site or administer products which have passed their expiration date.

If you choose to send to camp any of the topical ointments or emergency medications listed above, please label them with your child's name and give them to the camp counselor for your child's camp at drop off. All products will be returned at the end of the week, or sooner upon request. Please contact Youth Program Coordinator, Natalie Hernandez, to obtain a Medication Administration Form for emergency medications, or if you have any questions concerning this policy.
